

**The Fairfax County Democratic Committee
Congratulates John Dwyer Of D&P Printing & Graphics, Inc. (D&P),
For Over Four Decades Of Exceptional Service To Our Community
And A Well-Deserved Retirement**

Whereas,

John Dwyer, owner, and proprietor of D&P has been a member and supporter of FCDC for many decades.

D&P Printing, located in Alexandria, Virginia, has been a community staple for over forty years as the preeminent union print shop in Virginia.

D&P is a trusted vendor of the FCDC, producing hundreds of thousands of materials for us, the community, and countless others throughout the Commonwealth of Virginia and the country.

FCDC, along with hundreds of candidates and numerous organizations, have relied upon John, and his exceptional staff, to work and promote Democratic candidates and causes up and down the ballot through hundreds of local, state, and federal elections.

FCDC has been a loyal customer of D&P thanks to its professionalism, attention to detail, high-quality products, and first-class customer service.

John served our country and Commonwealth for almost his entire life, from his time in the U.S. Navy, Professional Air Traffic Controllers Organization (PATCO), and D&P.

John's retirement at the beginning of April 2022 marks a momentous, albeit bittersweet, occasion for our local Democratic community and countless others.

Democratic organizations like FCDC and others should continue supporting and promoting local businesses and unionized workplaces.

Therefore, be it resolved that the Fairfax County Democratic Committee recognizes John Dwyer's career as a supporter, trusted printer, valued colleague, friend, and mentor to many Fairfax Democrats. We thank and commend John and his entire team at D&P Printing & Graphics, Inc., for their valued and trusted service, especially his late son John Patrick Dwyer, and Mr. Ho. We wish John, his wife Kathy, and their daughters Jenn and Kelly all the best.

Retirement is not the end of the road but the beginning of an open highway. Happy trails!

PASSED and APPROVED on this 24th day of May 2022.
