Partisan politics has gotten us into a big mess, nationally and locally. Acting in our best interest is not exclusively a Democratic or Republican idea. Barack Obama said it best when he opined that "There is not a liberal America and a conservative America - there is the United States of America. There is not a black America and a white America and latino America and asian America - there's the United States of America." Everyone, keep an eye on how a Democrat's endorsement of a Republican in Fairfax reverberates locally.

**“** Nearly every single race in Fairfax County is uncontested this fall. That's not healthy, especially when the Democratic Party has less and less room for debate. We need diverse viewpoints, which means we need to keep Pat Herrity on the County Board. Pat's father, Jack Herrity, set a gold standard for public service. Pat has been an advocate for small business and common sense law enforcement. He deserves re-election. ”

I am honored to have the endorsement of State Senator Chap Petersen. Chap and I have many common interests. We both grew up in Fairfax, attended Fairfax County Public Schools, raised our families in Fairfax, have a passion for rugby and most importantly love the area we live in and have a passion for listening to our constituents and taking a commonsense approach to government. Too often partisan politics gets in the way of making sound common sense decisions and over the years Chap didn't let politics get in the way of serving his constituents.

After an unsuccessful primary bid for Fairfax's Commonwealth Attorney in the June primary, longtime attorney Ed Nuttall returned to private practice. However, the victims of Commonwealth Attorney Steve Descano's failures could not stand by and watch while the seat goes uncontested. These victims and families have begun a write-in campaign for Ed Nuttall.

After hearing about the write in campaign I reached out to Ed and confirmed that if he does win, he will serve. I fully support this effort not only because of the failures of the current Commonwealth Attorney but because Ed Nuttall has the experience to get the job done, prosecute crime, and keep families safe. We cannot afford four more years of failure under Steve Descano. Please join me in writing-in Ed Nuttall for Fairfax County Commonwealth's Attorney when you vote. The name needs to be spelled correctly ED NUTTALL – two t's and two l's.

I am also pleased to share that Ed Nuttall's name will be added to the Republican sample ballots being handed out at the polling locations around Fairfax.
